

# You now have another advertising opportunity with the Congress of Minnesota Resorts.

Campground Search Feature Added to the website!

Does your resort offer lodging as well as camping?

Whether you have **overnight or seasonal camping**, you'll want to take advantage of this great advertising opportunity. As introduced at the Fall Conference and in the latest issue of the Resorter Magazine, CMR is adding a **New Campground Search Feature** to the website.

If you have a campground and want to take advantage of this new opportunity on your CMR website, Just fill out this advertising form. The fee is **only \$35 annually**.

Guests can search for campgrounds by different regions in Minnesota. Guests can also search by amenities offered at your campground.

Much like the Resort listing you have now, you'll be able to log into your Campground Profile Page to add descriptions, amenities, photos and specials. Visitors to the site will be able to perform various search functions to find your campground.

Anyway you look at it, this is a versatile marketing tool and a savvy enhancement to the CMR website. Complete the Application Form below and mail in with your \$35 check. You will then receive an email with your user name and password as well as instruction on how to update your new expanded listing.
