

CMR Website Quick Reference Guide:

Log In

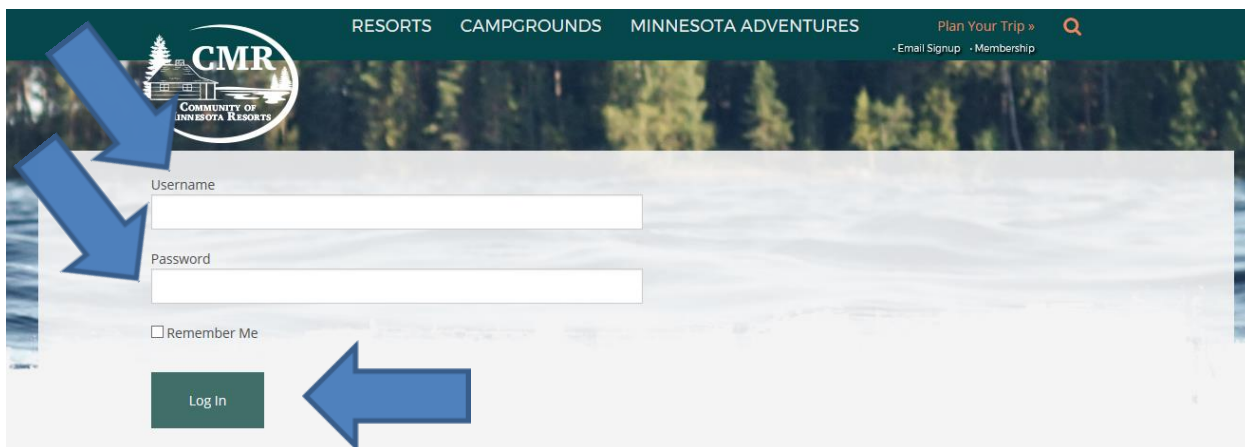

Log In: How to Log In to update your resort's information

1. Go to the CMR website: www.minnesota-resorts.com
2. On the bottom of any page click the Member Log In

3. You will then be directed to enter your username and password and press Log In

Once you are logged in you will see the following page options.

Dashboard: You will find information about Workshops & Events, Publications, Educational Materials & Applications, Media, and the ability to Contact Your Legislator.

Media: Your photos and ability to add new photos

Profile: General information about your resort

Resort Listings: Your resort information will be listed here and this is where you would make edits to your listing

Vendor Directory: The CMR Associate Members are listed on this page
