CMR Scholarship Information

The Community of Minnesota Resorts (CMR) was established in 1984 with the theme, "Resorters Helping Resorters." One of our goals is to provide scholastic achievement within the resorting community. Scholarships first became available in March 1996 from the previously pledged gift from the Minnesota Office of Tourism, and at that time, the CMR Scholarship Program was formed.

For 2024, the CMR is pleased to offer three generous scholarships through donations from sponsors: the Marc Bloomquist Memorial Scholarship, the Pine Insurance Agency Scholarship, and the CMR Scholarship. Each scholarship recipient is awarded \$1500 for tuition and/or related fees to aid students in pursuing their academic or vocational advancement.

Who is eligible to receive a scholarship?

1. The scholarship funds are made available to children and/or grandchildren of CMR Resort and Campground members.
2. An eligible member has been a CMR member for at least **two consecutive years** and is currently in good standing.
3. A high school senior planning to attend a four-year college, a community college, or a vocational/technical college.
4. A current college undergraduate or technical school student.

In addition, the CMR will publish the recipient's names, photos, and essays on all CMR communication platforms.
